Churchdown Club Spring Newsletter

Spring is not far away, here we have a reminder of what we have to look forward to at The Club over the next few weeks. This Saturday the fantastic Swing Rioters will be entertaining us with fantastic, free live music.

Six Nation's Rugby has been very popular and we have two weekends of matches remaining, for EVERY Six Nation's game we have a Clavell & Hind raffle and EVERY England game £2 a pint of Guinness (first to last whistle)

Upcoming Bottomless Prosecco afternoons £28 per person.

16 March (afternoon tea)

20 April (pizza & Prosecco)

15 June (afternoon tea)

Served 4-6 pm, booking is essential

We also recommend booking for our popular Sunday lunches, we now serve these as both dine in and takeaway options. Don't forget Mothering Sunday is Sunday 10 March and bookings are filling up already.

Club Member's AGM Monday 25 March at 7pm

We have a busy schedule of live music as always, and our two festivals to look forward to with the folk and ale festival 26-28 April and the cider and music festival 23- 25 August.

The opening of the bowls green takes place on Saturday 13 April, check out <https://churchdownvillagebowls.com> for more information on joining our local bowls club. Our skittle alley has availability for the 24/25 season, please email to enquire or pass Club details on if you know of any teams looking to move to a new alley.

We have now established our partnership with Laithwaites wine which means we are able to offer quality wines by the bottle or by the glass, the Australian Shiraz is the perfect wine to go with our delicious roast beef and the New Zealand Sauvignon is a favourite of Club Manager Charlotte. Did you know that as well as wine we of course offer a great range of lagers, including Madri, Carling, Staropramen and Cobra, our ales change regularly with Wye Valley Butty Bach being a firm favourite, additionally our gins have been sourced locally from two local suppliers Fox Kiln at Gloucester brewery and Piston distillery located on the Bamfurlong Trading Estate, we are proud to say that we support local suppliers at Club prices.

We are continuously looking to improve our club and have recently invested in new/more flexible furniture in the function room and skittle alley, we have some exciting work taking place at the front of the Club over the coming weeks to improve our kerb appeal and we would welcome any further suggestions.
